### **Safe Routes to School improvements to be discussed at Kekaha meeting**

KEKAHA – The public is invited to provide input on the proposed Safe Routes to School (SRTS) improvements on Alae Road in Kekaha.

Public comments will be accepted during a presentation made by the Department of Public Works and Planning Department at the start of the next Kekaha Host Community Benefits (KHCB) meeting.

The meeting is scheduled on Feb. 29, 6:15 p.m., at the Kekaha Neighborhood Center.

Written comments will also be accepted via email sent to the project manager, Donald Fujimoto at [dfujimoto@kauai.gov](mailto:dfujimoto@kauai.gov) by March 28.

Funding for the project was obtained through a federal grant, which is administered by the state Department of Transportation Safe Routes to School Program.

If you need an ASL interpreter, materials in an alternate format, or other auxiliary aid for the meeting, please contact Fujimoto at 241-4882 at least seven days before the meeting.
